

Message Deployment Device

Codename: Paper Cup Cannon

- Materials:**
- Scissors
 - Sticky Tape
 - Glue
 - Paper cup
 - Balloon
 - Coloured Strips of paper
 - Coloured Markers

Instructions:

Step 1 - Mark a circle around the edge of the bottom of a paper cup with a marker and carefully cut out with a pair of scissors.

Step 2 - Cut the end off a balloon and stretch the cut end over the bottom of the paper cup. Secure with sticky tape around the edge of the balloon.

Step 3 - Tie a knot in the open end or neck of the balloon.

Step 4 - cover the sticky tape and the rest of the cup with strips of paper, gluing them down to strengthen the cup. Decorate with coloured markers.

Step 5 - Write out your secret message in code and scrunch it up into a ball.

Step 6 - Place your message ball into the open end of the cup and hold it up at an angle. Pull on the end of the balloon till it is stretched out and let go to launch your message across the room.
