

TechTime Programs

For adults of any age!

All our adult learning programs are **free**.

Tech Help — individual sessions where you choose the topic

Developing Digital Skills — small group sessions on specific topics

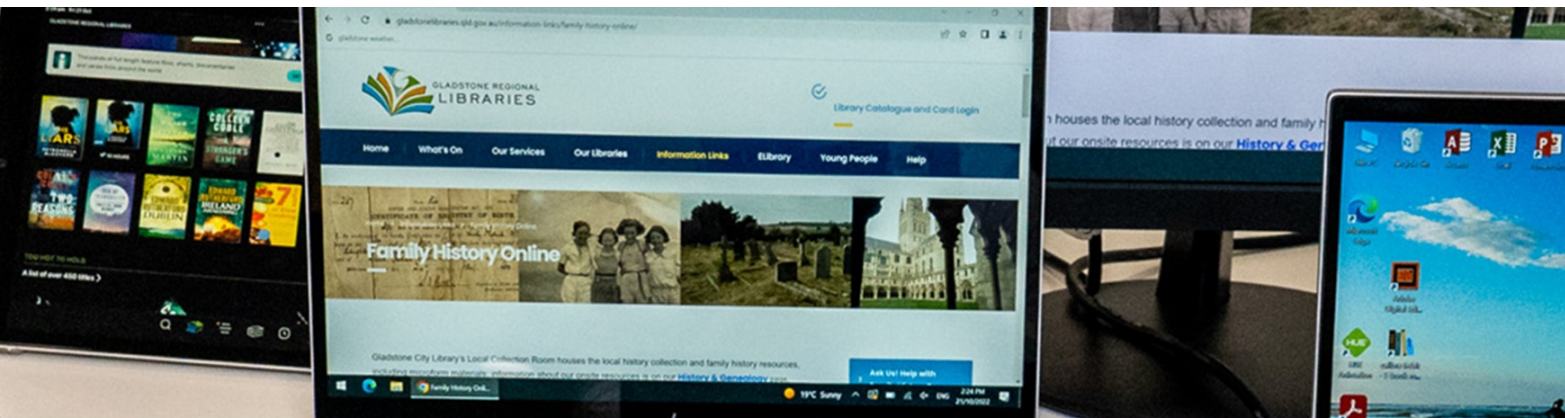

Individual and group Tech programs are held at multiple library branches — bookings required.

Book online via our website What's On page or ask our library staff.

Phone: Gladstone Library 4976 6400, Boyne Island Library 4971 7900, Agnes Water Library 4902 1501, or Miriam Vale Library 4974 6241

Ask us for more information

The Precinct Library Tech Help

at Philip Street Communities and Families Precinct

Would you like some help with digital technology?

Examples include:

- using our Gladstone Libraries App
- learning more about your digital device settings
- using our eLibrary and other online resources

Please note: we do not assist with technical issues with devices, telecommunication problems, or removing viruses.

Free one-hour individual sessions for adults

Various dates and times are scheduled for appointments and only those can be booked.

Check our Events Calendar for details

Bookings are essential (close 3pm the day before)

For details or bookings contact your local library, phone Gladstone Library 4976 6400, or check our online calendar & bookings system.
