Tech Help

Choose your own topic for a one-hour individual session and learn at your own pace. Ask us about tablets, smartphones, email, apps, family history research, and more...

Choose your topic & learn at your own pace

Attend alone or bring a friend and learn together!

Tech Help is usually scheduled for several times a week at Gladstone Library, monthly on weekdays at Agnes Water Library, and occasionally at Miriam Vale Library and Calliope Library. Bookings are essential.

Saturday Tech is held at Gladstone Library several times a year and includes a mix of drop-in and bookable sessions.

Contact any of our libraries to ask about our tech programs, to make a booking, or to discuss the possibility of alternative dates.
