

## Queensland Museum Loans – 2026 Kits at Gladstone Regional Libraries

<https://loans.qm.qld.gov.au/Montage/Kits.aspx?refinements=XLloc3>

### **Loans are for educational institutions and homeschool families.**

Loans are for two weeks but exceptions can be made if more than one class want to use the kit and it isn't in demand by others.

We can arrange for you to collect (or return) a kit at any of our staffed library branches or via our Out & About Library.

Please contact us if you no longer require a kit you have booked.

A contents list is provided in each kit. Please check before returning a kit. We do check kits when they are returned but sometimes it is needed for another booking.

Please complete the library label for how many people viewed the kit and their ages. Qld Museum collects this information for managing their loan kits.

### **Aboriginal Culture, Land #3**

Investigate traditional knowledge of natural resources for use as tools.

Year 02 - HASS History AC9HS2K02  
Changing technology

Year 04 - HASS Geography AC9HS4K05  
Importance of environments

Mass 10.0kg, Height 27cm, Length 66cm,  
Width 44cm
